California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Audeo Charter School (Audeo) is an innovative, role model public school that dares to make a significant difference in the lives of students in grades K through 12. Offering an option to traditional schools, Audeo has innovated a different way of managing educational systems, both in instruction and operations. We serve as a role model because of five factors:

- **We transform the lives of students who are "at risk" in the educational system – taking many from failure to college bound.**
- **We run Audeo with strategic initiatives, action plans and the ability to set and measure results.**
- **We are innovative, responsive and agile.**
- **We hold teachers accountable for students' learning and success.**
- **We are a successful prototype for educational reform.**

This futuristic public school is designed for students in grades K-12 who seek an alternative to the traditional approach to education. Independent study is the primary method of instruction, along with online courses, home school option, guest speakers, tutoring, and field trips to provide skills development and enrichment in the core curriculum.

Students can enroll in Audeo Charter School with parent request any day throughout the year.

Student options include returning to comprehensive schools, earning a High School diploma, passing the California High School Proficiency Exam (CHSPE), passing the GED, or passing the High School Equivalency Test (HiSET). Each student receives a Pathways Personalized Education Plan supported through an extensive group of partnerships and alliances which provide services such as job development, pre-employment training, health maintenance, case-management, social and personal services and tutoring.

Please Note: Audeo is an ASAM/DASS school and does not receive Statewide or Similar Schools ranks. As an alternative option, students enroll with Audeo to address credit deficiencies before returning to a traditional school or may choose to complete the GED or HiSET, which are not factored into the four-year cohort graduation rate.

School Description and Mission Statement (School Year 2017-18)

The Vision

The educational community known as Audeo Charter School is committed to the development of a personalized instructional program that demonstrates positive outcomes for each student. Audeo Charter School is dedicated to the creation of instructional, service, organizational, and governance models that can serve as prototypes for educational reform. Audeo Charter School is committed to collaborative efforts to improve the quality of life for students, their families, and the community it serves.

The Mission

Audeo Charter School will implement personalized educational programs to facilitate student achievement. These educational programs will demonstrate that standards-based educational reform can provide a prototype for changing the way teachers teach and students learn in the future.

Basic Values

- Kids come first.
- Education at Audeo is personalized, individualized, and high quality.
- Audeo is made up of a community of highly professional people. These committed individuals are independent, self-motivated, high-energy people who speak for themselves. They work to create a positive, challenging environment that is centered on teaching and learning.
- Audeo uses business principles in managing the school.
- Audeo is committed to the creation of educational reform models centered on how effective educational organizations run, how teachers teach, and students learn.
- Audeo employees are accountable for their work.
- People-centered teams focus on supporting quality teaching and learning. Performance is measured on a variety of indicators that include productivity, credit ratio, auditability, quality, performance, and commitment to the vision of Audeo.
- Audeo is committed to the improvement of the quality of life for students, their families, and the community it serves.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Audeo Charter School is designated by the state as an Alternative Schools Accountability Model (ASAM now DASS) school. ASAM/DASS schools have at least 70% of the schools total enrollment comprised of groups that are at high risk of dropping out of school. These groups include students who are suspended, expelled, wards of the court, pregnant/parenting, recovered dropouts, and/or habitually truant.

Mathematics (grades 3-8 and 11)	17%	22%	42%	43%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Career Technical Education Programs (School Year 2016-17)

Career Technical Education (CTE) opportunities vary according to the students' goals. Their career aptitudes and interests are discussed with the student and parents and become part of the Pathways Personalized Educational Plan (PPEP). Audeo offers more than 20 CTE courses in either an independent study or online environments. Eleventh and twelfth grade students research career paths and post-secondary career options to compile an electronic portfolio as part of a required senior course called "Pathways Exhibition". Counselors, teachers, career resource speakers, administrators and parents provide assistance in the educational and career decision making process. Because of the flexibility in this school's schedule, students are able to work while traditional schools are in session, which broadens the range of job opportunities available. The school allows students the freedom to participate in community events and encourages them to volunteer. In order to broaden their experience and prepare students for the transition from school to career, students who remain at Audeo Charter School until graduation are required to earn two credits in either Service Learning or in our state approved General Work Experience Education (WEE) courses. In this way, students have the chance to experience the world outside school as either volunteers or while learning a vocational skill on their path to becoming College and Career Ready.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Parents become involved in their children’s education at Audeo Charter School from the beginning. Parents are a part of the initial meeting with the teacher, when they learn school requirements. Together with the student, they develop each student’s unique Pathways Personalized Educational Plan (PPEP). Parents are encouraged to call and make appointments at any time; parents are involved in their child’s education on a daily/weekly basis. Parents are encouraged to give feedback through the annual LCAP parent survey, open houses, senior exit orientation meetings, master agreement signings, board meetings, and graduation.

Professional Development

Audeo Charter School offers its workforce a comprehensive professional development system. The system is based on student achievement data, California state mandates, federal regulations and mandates, and the best pedagogical practices. In short, the plan provides a school within a school for the purposes of teaching and learning to deepen teachers' content knowledge, and to increase teachers' knowledge of the standards and instructional methods based on student results in an independent study environment. It was designed to fulfill Audeo's professional development needs to produce a rigorous academic and professional experience for teachers, clerical and classified staff. In addition, all personnel are encouraged to attend seminars and workshops offered by local universities, the San Diego County Office of Education (SDCOE), and professional associations. Staff participates in regular professional development based on the needs of students and organizational outcomes as outlined in the Strategic Plan and the Local Control Accountability Plan. At a holistic level, Audeo's professional development also provides support for all employees to develop skills and techniques crucial to their personal lives as they work toward a healthy work/life balance. The school adheres to the requirement for the annual number of school days dedicated to staff development per Education Code 33126(b)(9).
